

National Service in Tennessee

MEETING COMMUNITY NEEDS IN TENNESSEE

More than 6,600 people of all ages and backgrounds are helping to meet local needs, strengthen communities, and increase civic engagement through national service in Tennessee. Serving at more than 970 locations throughout the state, these citizens tutor and mentor children, support veterans and military families, provide health services, restore the environment, respond to disasters, increase economic opportunity, and recruit and manage volunteers.

This year, the Corporation for National and Community Service (CNCS) will commit more than \$19,110,000 to support Tennessee communities through national service initiatives. CNCS invests in cost-effective community solutions--working hand in hand with local partners to improve lives, expand economic opportunity, and engage citizens in solving problems in their communities. Serving in many of the state's most impoverished communities, CNCS provides vital support to schools, food banks, homeless shelters, community health clinics, youth centers, veterans service facilities, and other nonprofit and faith-based organizations at a time of growing demand for services. Through a unique public-private partnership, this federal investment will leverage an additional \$4,450,000 in other resources to strengthen community impact, build local support, and increase return on taxpayer dollars.

AmeriCorps: This year AmeriCorps will provide more than 1,200 individuals the opportunity to provide intensive, results-driven service to meet education, environmental, health, economic, and other pressing needs in communities across Tennessee. Most AmeriCorps grant funding goes to the Volunteer Tennessee, which in turn awards grants to nonprofit groups to respond to local needs. Most of the remainder of the grant funding is distributed by CNCS directly to multi-state and national organizations through a competitive grants process. Other individuals serve through AmeriCorps VISTA, whose members help bring individuals and communities out of poverty by serving full-time to fight illiteracy, improve health services, create businesses, and increase housing opportunities, and AmeriCorps NCCC (National Civilian Community Corps), a 10-month, full time residential program for men and women between the ages of 18 and 24. In exchange for their service, AmeriCorps members earn an education award that can be used to pay for college or to pay back qualified student loans. Since 1994, more than 11,000 Tennessee residents have served more than 21 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$34,590,000.

Senior Corps: More than 5,300 seniors in Tennessee contribute their time and talents in one of three Senior Corps programs. Foster Grandparents serve one-on-one as tutors and mentors to more than 6,900 young people who have special needs. Senior Companions help more than 580 homebound seniors and other adults maintain independence in their own homes. RSVP volunteers conduct safety patrols, renovate homes, protect the environment, tutor and mentor youth, respond to natural disasters, and provide other services through more than 280 groups across Tennessee.

Social Innovation Fund: The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Tennessee, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing more than \$1,130,000 in expanding the impact of 2 nonprofits in Tennessee.

The Corporation for National and Community Service is a federal agency that improves lives, strengthens communities, and fosters civic engagement through service and volunteering. CNCS annually engages more than five million Americans in service to meet local needs through Senior Corps, AmeriCorps, and national days of service; improves communities through the Social Innovation Fund, and leads President Obama's national call to service initiative, United We Serve. To learn more visit NationalService.gov or Serve.gov or call 202-606-5000 or TTY 1-800-833-3722.

- Notes: The data shown represents a snapshot in time. CNCS project sites, participants, and funding change throughout the year, so the data may not reflect current conditions.
- This figure represents the number of awarded positions available to be filled in the 2014 - 2015 program year. For AmeriCorps VISTA, this represents the actual number of VISTA members in active service.
 - This figure represents the maximum potential value of Segal AmeriCorps Education Awards that can be earned by AmeriCorps members serving in Tennessee. The award can be used in any state to pay for college, graduate school, vocational training, or to pay back student loans. The education award total is included in total CNCS funding.
 - AmeriCorps National figures may include national programs headquartered in the state and/or operating sites of national programs that are headquartered in other states. Funding reflects the estimated proportionate share of the national grant associated with operating sites in this report. Some national organizations do not report operating site data, or it was not available at time of publishing, so figures may not reflect current conditions.
 - Tennessee is served by the AmeriCorps NCCC campus located in Vicksburg, Mississippi. In the past year, AmeriCorps NCCC teams have served on projects in Memphis, Pikeville, Jamestown, Caryville.
 - The service location total may contain multiple counts of unique locations where multiple CNCS programs are operating.
 - As part of its public-private partnership approach, CNCS requires grantees to leverage additional resources to strengthen community impact and increase the return on the federal investment. This figure reflects non-CNCS cash and in-kind resources that CNCS grantees and project sponsors have committed to raise to support their programming activities across the state.

Since 1994, more than 11,000 Tennessee residents have served more than 21 million hours and have qualified for Segal AmeriCorps Education Awards totaling more than \$34,590,000.

AmeriCorps State

Teach for America (TFA) places 573 AmeriCorps members in Nashville and Memphis, with the belief that all children deserve the opportunity to attain an excellent education. They recruit, train and place outstanding teacher leaders into classrooms serving low-income children. The 2014 Report Card on the Effectiveness of Teacher Training Programs in Tennessee measures the effectiveness of the state's 43 teacher preparation programs. For the fifth year in a row, Teach For America was identified as one of the state's most effective teacher preparation programs. Teach For America-Greater Nashville and Teach For America-Memphis were two of the five programs found to have teachers "that have consistently outperformed other teachers in the state" Teach For America-Greater Nashville and Teach For America-Memphis had the top two most statistically significant positive results among evaluated teacher preparation programs. Teach For America-Greater Nashville and Teach For America-Memphis teachers are more racially and ethnically diverse than the statewide average.

Knoxville-Knox County Community Action Committee's 40 AmeriCorps members facilitate environmental education using service-learning. Members work with partner agencies to increase the effectiveness of community programs and services. Two effective instances were a local stream clean-up event and environmental education. River Rescue used to compete with another local stream clean-up event for volunteers and dump-site locations. By applying AmeriCorps members and better volunteer strategies, the community was able to consolidate the events, increase the number of volunteers, and better apply clean-up practices. In-school environmental education has been the flagship of the CAC AmeriCorps program for well over 15 years. The recycling, composting, and outdoor classrooms are integrated into curriculum in Knox County schools and are maintained by students in science classrooms.

AmeriCorps VISTA

In its first year, the City of Memphis AmeriCorps VISTA program has placed 16 members at 10 sites. VISTA members are developing 3 new programs – The Knowledge Quest Community Supported Agriculture program, The Ex-Offender Entrepreneurial Program and the Memphis Office of Resources and Enterprise Corporate Relations Program. They are also expanding services in an additional 14 sites, including the Leadership Memphis SUCCESS High Schools Initiative, the OrganWise nutritional and fitness literacy program, and the Women's Foundation's Empowering Families with Sustainable Employment Program. Though 88 percent of VISTAs have been in service less than five months, an additional 28 organizations have received capacity building services already and one-third report that VISTA members have helped make their organizations more effective. To date, City of Memphis VISTAs have recruited 86 volunteers, managed 101 volunteers, and contributed to the training of 110 staff and volunteers. An additional 291 disadvantaged youth have been served through educational programs and 150 disadvantaged youth have been served through Healthy Futures programs offered by City of Memphis VISTA program partners.

AmeriCorps NCCC

An AmeriCorps NCCC team worked with the Cumberland Trail State Scenic Trail (CTSST) to assist with the construction of 0.16 miles of new trail and the installation of 75 stones which will improve the marketability of Campbell County as a hiking destination. The team installed wooden steps along the Cumberland Trail State Scenic Trail and at North Chickamauga Creek Conservancy which provide a safe access trail for visitors and bring in more foot traffic. CTSST preserves and protects, in perpetuity, unique examples of natural, cultural, and scenic areas and provides a variety of safe, quality, outdoor experiences to communities. The team also traveled to Seven Islands Wildlife Refuge where they assisted with the restoration of 1.02 miles of existing trail, the removal of 15,000 pounds of exotic vegetation and underbrush, the installation of 750 feet of fencing, the removal of 200 pounds of trash, the landscaping of 5 acres of land, and the tending to 377 trees. The NCCC team was able to make a huge impact on the community in Campbell County through their restoration of the LaFollette's Historic Wedding Chapel and Sharps Chapel Historic School House and their cleanup of the Lewis Cemetery.

For five weeks, an AmeriCorps NCCC team worked with the Vollintine Evergreen Community Association (VECA) in Memphis, Tennessee to maintain a quality residential neighborhood with new and existing volunteers from the community. VECA was founded in 1971 to increase communication within a neighborhood of more than 2,500 households that previously had no formal organization. The team worked in the neighborhood to clear vacant lots of unwanted vegetation and debris, performing multipurpose trail maintenance, and installing railroad ties to control erosion. In addition, the team worked to install 130 feet of fencing; tend to six gardens by pulling weeds, trimming plants, laying newspaper and laying 13 yards of mulch to minimize the regrowth of weeds. For houses managed by VECA, the NCCC team painted walls and created drainage ditches to prevent future damage. They also worked with a local youth group to beautify 12 road medians. In partnership with Le Bonheur Hospital, the NCCC team also worked to remove asthma triggers in the home of a patient. The NCCC team brought happiness and encouragement to the Vollintine Evergreen Community while saving thousands of dollars in improvements.

Senior Corps Foster Grandparent Program

The Knoxville Knox County Community Action Committee Foster Grandparent Program engages 117 Foster Grandparent volunteers to mentor and tutor 356 children. Station supervisors reported that partly due to the assistance provided by Foster Grandparent volunteers, 86 percent of children served in Pre-K programs demonstrated gains in social and/or emotional development according to the teacher assessment. According to teacher evaluation, 81 percent of the children served in K-12 classrooms demonstrated improvement in academic engagement, and 93 percent of special needs children mentored and tutored transitioned to the next grade level.

Senior Corps RSVP

The Knoxville Knox County Community Action Committee RSVP program mobilized 382 volunteers who served a total of 41,175 hours meeting a range of needs in the Knoxville community. RSVP volunteers delivered 184,277 meals to 1,161 qualifying homebound seniors, provided transportation to 198 seniors and individuals with disabilities for a total of 4,069 trips for medical appointments and other errands necessary to remain independent in their homes. They also conducted home safety checks for 250 seniors living in high crime areas of Knoxville.

Senior Corps Senior Companion Program

The Knoxville Knox County Community Action Committee Senior Companion Program mobilized 93 volunteers to assist 328 homebound and frail seniors. Senior Companions provide companionship, shopping assistance, accompaniment to medical appointments, and light cooking and housekeeping. One-third of all clients served were over the age of 85. At the end of the program year, 95 percent of the frail adults served were able to remain in their homes and avoid premature institutionalization.

Social Innovation Fund

The Social Innovation Fund transforms lives and communities using limited federal investment as a catalyst to grow the impact of nonprofits with evidence of strong results. It harnesses the expertise of grantmaking intermediaries to identify, evaluate and expand effective nonprofits and engages funding partners to contribute nearly three dollars to every one federal dollar invested. As the Social Innovation Fund network grows programs that work in Tennessee, more people are able to overcome their most pressing challenges in the areas of economic opportunity, health, and youth development. The Social Innovation Fund is investing \$88,889 in expanding the impact of one nonprofit in Tennessee.
